"Real world" experience applied to "real practical" training

Veteran Owned

Attendees: This course is designed for Officers/Detectives/Agents and Supervisors assigned to Narcotics, Gangs, Intelligence, or Specialized Units that investigate OUTLAW MOTORCYCLE GANGS.

Course Description: This 3-day (27 hour) training has been designed to complement the beginning and experienced investigator. The training is presented from two sides. First, the Detective/Agent perspective of those who investigate the crimes that OMG's commit. The Second is from the "inside". Dave spent almost 4 years as an OMG. He feels enlightening the OMG investigator from the "inside out" can make the investigator more knowledgeable, safer and give them a perspective they may have never thought of before. This "pay it forward" type of training has come from 20 years of instruction and 25 years of experience. Having trained over 12,000 undercover personnel Internationally and Nationally. His goal is to provide the information to others in an effort to make sure every officer/agent gets home to their loved ones each and every night.

The training covers: The history of the major Outlaw Motorcycle Gangs Nationally and Internationally, the club culture, the hierarchy of clubs, recruitment of new members, effective recruitment and utilization of informants, L.E. misconceptions of OMG's, women in the OMG world, OMGs attempts to gather public support, the criminal activity of the OMG, weapons of the OMG and where they carry them, and OMGs vs Police clubs,

From the "Inside out": techniques to infiltrate the OMG, identifying the unique issues associated with an infiltration, psychological challenges of working undercover in an OMG, backstopping needed for undercover operations, discussing risk management of undercover operations, examine key issues supervising an OMG undercover operation, short term vs long term undercover operations, and unique concerns with female undercover deployment in OMG investigations.

Instructor: Dave's 30 years of undercover experience has ranged from working Vice, Narcotics, Organized Crime, White Supremacist, Militia Groups, Mexican Drug Trafficking Organizations, Outlaw Motorcycle Gangs and even assisted other F.B.I. undercover personnel on an International Terrorist Case. A large portion of Dave's cases involved long term infiltrations of Criminal Organizations lasting sometimes up to 4 years. He infiltrated an Outlaw Motorcycle Gang for almost 4 years. He has spent almost 10 years of his undercover career living with the criminals he is investigating. While working undercover he has purchased most levels of numerous types of narcotics, stolen vehicles, stolen property, guns, fully automatic guns, explosives, and hand grenades to name a few. Dave created and teaches at the Washington State Undercover School (since 1997) F.B.I. undercover school (since 1997), Pennsylvania State Police "Top Gun" undercover school (since 2013), Midwest Counter Drug (since 2010) as well as instructed for other Military, Federal, State and Local agencies and Organizations.
